## To Whom It May Concern:

I am writing on behalf of Central Florida Urology Specialists & Zero – the Project to End Prostate Cancer. After a successful event last year, we would like permission to hold the Central Florida Great Prostate Cancer Challenge 5K Relay again this year in Sumter County. The Great Prostate Cancer Challenge/Dash for Dads is a national community-oriented initiative to raise awareness and funds for local and national prostate cancer activities. In addition to the race, this year we'd like to have an Antique Car Show and Blood Drive as well as vendor booths with items for sale. We would like to hold this event on Saturday, November 19, 2011 with the race start time of 8:00am. I've enclosed a map of the race course. The race would begin and end at 12109 CR 103 Oxford. All other events would be held entirely on the Central Florida Urology Specialists property at 12109 CR 103 Oxford. The race would necessitate the closing of portions of CR 103 for approximately 2-3 hours in the morning. The "Temporary Road Closing Request" form has been completed and is enclosed. We will be contacting the Sumter County Sheriff's Office regarding assisting us with traffic control as we did last year.

If you have any questions or require additional information to assist in making your decision, I can be reached at 352-391-6494 x248 or email [cclayton@cfusllc.com](mailto:cclayton@cfusllc.com).

Thank you for considering our request. We look forward to hearing from you.

Sincerely,

Colleen Clayton, Event Director  
2011 Central Florida Great Prostate Cancer Challenge
